

**MARCH FOR SCIENCE**

— APRIL 22, 2017 —  
CLEVELAND, OH

# Volunteers Needed For March for Science Cleveland

The March for Science is a national movement that celebrates people's "passion for science and a call to support and safeguard the scientific community." Our satellite march in Cleveland, OH will reflect the national organization's mission by taking to the streets in Public Square in downtown Cleveland on April 22nd. To make this a successful event, we are asking for volunteers from our community.
