

AΩA

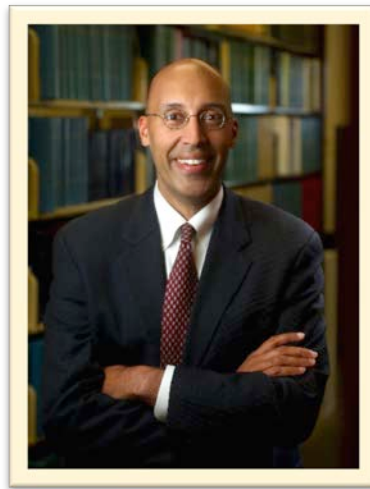

2017 Visiting Professorship Lecture

Wednesday - April 26, 2017 - 4:00 pm

CWRU School of Medicine † Robbins Bldg. † Room E-401

The CWRU AOA Chapter is honored to present

Dr. Gurpreet Dhaliwal

**Gurpreet Dhaliwal M.D., Professor of Medicine
University of California, San Francisco**

“Nobody Cares How Much You Know...”

Dr. Dhaliwal is a Clinician-Educator and Professor of Medicine at the University of California, San Francisco. He studies, writes and speaks about how doctors think - how they make diagnoses and what motivates them to improve their practice and systems in which they work. He sees patients and teaches medical students and residents in the emergency department, inpatient wards, and outpatient clinic at the San Francisco VA Medical Center.

Dr. Dhaliwal writes in the *Wall Street Journal's* The Experts: Health Care blog, and has published over 90 articles in leading medical journals including the *New England Journal of Medicine* and the *Journal of the American Medical Association*. Moreover, he has won numerous teaching awards. He writes and speaks on physician leadership, physician engagement, and the need for physicians to engage in high-value care.
